1	1S	Henny Penny	Sandra	Comrie	10	GOLD	The sky is falling! Did you know that Henny Penny is also a Corporation and is a manufacturer of premium commercial grade food, mostly chicken, equipment based in Eaton, Ohio. Love the mono conversion, a very smart hat for a chicken!
2	3S	Ugly Duckling	wynand	lens	12	GOLD	Oh such a sweet thing! Great composition, lovely sharpness, and the duckling surrounded by all those leaves adds to the story of abandonment, well done.
3	4S	Riding and her Wolf	Cornelia	Appel	13	COM	That's a sweet looking wolf! Lovely - The model is totally in character, I love the softness and muted clours with the pop of red.
4	4S	Snow White Triptych	Meleney	Naik	13	COM	Fantastic triptych, each image telling a story that stands out on its own - the first one is my fav.
5	4S	This Little Piggy went to Market	Mags	Vosloo	11	GOLD	oh well done, this piggy watering can was lovely at the workshop. Thepiggy that went to market was the one that would be slaughtered for bacon, however, this piggy looks like he just might survive that ordeal.
6	4S	thumbelina and the frog	Liesl	Couperthwaite	11	GOLD	"Thumbelina" is about a tiny girl. She has several adventures with a toad, a mole, a field mouse, and other creatures of field and forest. At the end, she meets and falls in love with a flower-fairy prince just her size. Not sure about the filter applied, but i do like the story of the frog on his knees, but she has eyes only for the prince...
7	4S	Who has been sleeping in my bed	Doug	Couperthwaite	10	GOLD	Who indeed! When I looked up Goldilocks, Google gave me this "Baby Bear represents the "good" and obedient child who wants and tries to obey and please the powerful parents. However, Goldilocks is the personification of another aspect of the same egocentric child, doing what she likes without regard for others. Baby Bear and Goldilocks are two aspects of one child." Okay then. While this is a fun category, do watch the corner wall, its falling over slightly to the right...
