1	1S	Now you have it now you dont	10	Gold	Jay	Nabbe	This is so clever. The long exposure is a different take on this challenge and well captured.
2	2S	Reflections	13	Merit	Minky	Goodbrand	I love this. Well done on getting the reflection on this in two different seasons.
3	4S	big and small black and white	10	Gold	Liest	Couperthwaite	Just by the feathers I can see the baby and mom. The end of the big feather is a bit blown out.
4	4S	Leaves	10	Gold	Meleney	Naik	Love the opposites here, I do find the spots over the whole image a bit distracting.
5	4S	Tamil Temple PMB 4	12	Gold	wynand	lens	Man and Women, great spot. The connection between the 2 is well captured.
6	5S1	conflicted	12	Gold	Tracey	Rhodes	Good idea, yes and no, light and dark.
7	5S2	When I Grow Up	10	Gold	Maxi	Holder	Super cute, Image does feel a bit blurry, not sure is there was some shake in the 20sec exposure.
8	6S1	Refracted Colours	13	Merit	Leon	Heyes	Pleasing Image. Love all the opposites in this image.
